

Tube chandelier

Michael Anastassiades, 2006

Description

Tube chandelier by [Michael Anastassiades](#).

Anastassiades' philosophy is to produce exceptionally designed objects of permanent value. All pieces are fabricated in carefully sourced small family-run workshops selected for their unique manufacturing skills and tradition in the use of materials.

The Tube chandelier offers a striking contemporary reinterpretation of the traditional chandelier. This pendant light with sculptural presence features three slender tubular LED elements held within a minimal framework.

Available in black patinated stainless steel and satin brass.

Pendant rod length to order. Minimum total drop length 150cm; maximum total drop length 302.4cm. Please supply required drop length of fixture, measured from the ceiling to the bottom of the fitting at the time of order. Please allow 25mm tolerance of drop length.

twentytwentyone is delighted to announce we have partnered with Michael Anastassiades and The Modern House to offer an exclusive discount of 10% on the Tube chandelier. This offer is available to subscribers to The Modern House newsletter, with details to be announced in their October issue.

In order to benefit from this exceptional opportunity, subscribe to The Modern House newsletter [here](#).
