

Lala magnetic vase

Studio Macura, 2015

Description

Lala magnetic vase by [Studio Macura](#).

A small but powerful magnet allows this minimal glass vase to attach to metal surfaces. Although designed specifically for the [Buba magnet board organiser](#) it may also be fixed to window frames, doors and fridges.

It can even attach to the head of a large screw or nail, for a particularly minimalist floral display.

Uniting ornament with function, it is perfectly sized for a single flower, a sprig of greenery or small items like pens or brushes.

Made of borosilicate glass with magnet for fixing.
