

Solid table lamp

Terence Woodgate,

Description

Solid table lamp by [Terence Woodgate](#).

The Solid table lamp is the newest addition to Terence Woodgate's Solid lighting collection based around a pure cylindrical form crafted from solid marble.

A sculptural cylindrical base, crafted from solid Italian fine-grained Carrara marble, is topped by a hand-blown opal glass shade to provide a soft, diffused light.

The table light features an integrated, state-of-the-art dimmable LED. Dimming controlled by a stainless steel push button. Short push for on/off, prolonged push to dim up and down.

Light source (included): 13W LED 1450lm. LED is CREE latest generation dimmable COB (chip on board) replaceable model, with bead-blasted aluminium heat sink to reduce overheating and prolong life and performance.

Supplied with 2m black cable.

Please note that as marble is a natural material the hue and veining will vary from piece to piece, making each unique.

Available in white Carrara marble or black Nero Marquina marble.
