

Above pendant light

Mads Odgård, 2017

Description

Above pendant light by [Mads Odgård](#) for [Louis Poulsen](#).

Launched at the 2017 Stockholm Furniture and Light Fair, Above is a pared-back and elegantly simple pendant light, available in a range of sizes.

The simple conical shade has an arch-shaped opening at the top, creating a comfortable downward light and a discreet upward light. The opening at the apex also ensures a decorative illumination of the arch above.

Of his design, Mads Odgård says: "I have designed a lamp that embodies my mantra: how simple do you dare to design? I would rather remove than add and I always encourage myself to go as simple as possible."

Spun aluminium shade is available in matt white or matt black wet-painted finishes. Both colours have a matt white interior to ensure an even distribution of light.

Available in four sizes (17.5cm dia, 25cm dia, 40cm dia and 55cm dia) which may be hung individually or grouped together to great effect.

Sizes small, medium and large are supplied with 3m black textile cord. Extra large supplied with 4m black textile cord. Canopy included.
