

Fuori serving trolley

Monique Consentino, 2017

Description

Fuori serving trolley by [Monique Consentino](#) for [Skagerak](#).

The Fuori outdoor trolley offers an ingenious way to serve food and drinks in the garden or to create a moveable display of pot plants.

Slatted teak shelves create a warm contrast with a minimal white frame whose curved profile echoes the two wheels. In time the teak shelves will mature and patinate to a harmonious silver-grey.

Made of FSC Teak and aluminium power-coated white.
