

Turn mirror

Line Depping, 2017

Description

Turn mirror by [Line Depping](#) for [Skagerak](#).

The Turn mirror has a simple yet striking form. The mirror's wooden frame is created by bending a single strip of ash so that it encloses the glass in a form that evokes a water droplet, a tennis racket or an old-fashioned snowshoe.

The point where the ash strip meets becomes the suspension point, allowing the mirror to be hung on the wall.

Available in large and small sizes. Natural ash frame and mirrored glass.

Dimensions:

Small: 22w x 2.5d x 45cmh

Large: 44.5w x 2.5d x 66.5cmh

Please note: due to the fragile nature of this design we are able to ship it within the UK only.
