

Soft Edge 12 chair

Iskos-Berlin, 2017

Description

Soft Edge 12 stackable chair by [Iskos-Berlin](#) for [HAY](#).

Designed by Iskos-Berlin, the Soft Edge 12 chair is part of the Soft Edge series which uses innovative design in moulded plywood techniques. The comfortable soft-formed back and seat are free from sharp edges.

Highly versatile to most environments, these light and stackable chairs are ideal for public and private settings - such as cafés and dining areas.

The Soft Edge 12 wood dining chair is available in nine finishes: Black stained, dusty green stained, fall red stained, hunter stained, soft black stained, soft grey stained, matt lacquered and clear lacquered.

Seat and backrest are made of moulded oak veneer with solid oak legs.

Stackable up to 6 pieces.

Supplied with standard gliders. Additional felt, soft felt and carpet gliders are available at a surcharge.

Also available upholstered in [Soft Edge 12 upholstered chair](#). View the entire Soft Edge family [here](#), or in 'More products in this range' below.
