

Light Christmas baubles

, 2016

Description

Light Christmas baubles by [Ichendorf Milano](#).

The Light Christmas bauble is an elegant, hand-blown glass decoration for the festive season. Each glass ball features a hook to thread a string through. In this way, the baubles can be hung on the Christmas tree or elsewhere around the home.

Unlike the majority of coloured glasses, the Light Christmas glass balls are dyed during the melting process, meaning that their colour will not fade.

Available in three different colourways: amber/clear, green/clear, or white/clear.

All Ichendorf pieces are hand-blown in Italy.
