

Kamo set of prints

Pierre Charpin, 2017

Description

Kamo set of limited edition prints by [Pierre Charpin](#) for [The Wrong Shop](#).

Pierre Charpin's new Kamo print is available to buy [individually](#) or in a set of three prints, each numbered, stamped and embossed.

Like Charpin's [Four Monkeys](#) series of prints from 2016, this striking and minimal triptych of images dates to the designer's sojourn in Kyoto and is based on a series of drawings produced of the Kamo River.

Charpin notes: "The Kamo drawing expresses the horizontality of the Kamo River that flows through Kyoto. The water runs gently down stair-like slopes, creating a scene of calm and beauty."

Arranging the prints in a set of three expands on their eloquent sense of movement and flow.

Framed by The Wrong Shop in bespoke frames made of European oak with an elegant square profile and a matt lacquer finish.
