Ex-display item reduced by 30%

£2,120 -30% now £1,484

This item is a one-off clearance item to be sold on a first order, first served basis

The T Lamp is a slender floor light based on the concept of movement and kinetic energy. Reminiscent of Alexander Calder's mobiles, this tall floor lamp is designed to move and rotate while maintaining a balanced equilibrium.

The marble base and counter weight provide the foundation and balance while adding elegance to the design.

The Moooi T-Lamp is a graceful floor light suited to a variety of living spaces.
