

SPADE CHAIR / BATCH

An unlimited version of the Spade Chair

Ash
86(h) x 48(d) x 44(w) cm
3 kg
Finish : Ash

The spade is an icon of rural life in the English countryside. The Spade Chair is a modern tool for sitting. Made in Britain using Ash, the chair has an elegant and minimal silhouette inspired by the juxtaposition of a three-legged milking stool and the handle of a gardening implement.
