MATIN WALL

DESIGN BY INGA SEMPÉ, 2021

Designed by Inga Sempé, the Matin Wall Lamp offers a contemporary yet poetic design, with a construction that combines visual delicacy with physical robustness. The head of the lamp can be angled approximately 45 degrees both upwards and downwards to create an ambient uplight as well as directional downlight. The wall-mounted design consists of a steel wire bent frame finished in polished brass with matte black hardware and is paired with a pleated cotton shade in two sizes with a variety of vibrant colours. The light source is an integrated LED, offering a diffused light which is accompanied by a digital in-line dimmer control to adjust the output of light if required.

HIGHLIGHTS

- Part of a progressive and technologically advanced lighting collection.
- A family of contemporary table, ceiling and wall lamps.
- Elegant wall-mounted lamp with a steel wire bent frame, paired with a pleated cotton shade in different colours.
- Shares the same shades as the table lamp variants and can easily be changed.
- The head of the lamp has an adjustable angle to direct light up or down.
- CE approved.
- Integrated LED light source ensuring a life span of at least 25,000 hours of use.
- Inline step dimmer.
- Available in two sizes and suitable for both private and office environments.

DIMENSIONS

MATIN WALL 300
WIDTH 30 CM
