

# Lampe Antony

Serge Mouille, 1955

## Description

**Antony desk lamp** by [Serge Mouille](#) for [Serge Mouille Editions](#)

Lampe Antony is an elegant desk lamp with a mussel-shaped diffuser, standing on a gently curved arm that balances on a small, circular base. Like many of Mouille's lamps of this era, the lamp has a kinetic quality, conjuring a sense of movement.

The tiltable head can articulate up, down and around in a 270° rotation, offering directional light. The table lamp also features Mouille's signature use of refined lines and the brass swivel connector, joining the arm to the diffuser.

Available in black or white lacquered aluminium and steel with brass ball joints. The interior of the shade is glossy white.
