

# RB M20 Ltd. Ed. framed print

Ronan Bouroullec, 2019

## Description

**RB M20 limited edition framed print** by [Ronan Bouroullec](#).

SOLD OUT

Ronan Bouroullec has further continued his RB series of prints for 2019. The prints are produced in an edition of 50, each signed by Ronan Bouroullec, numbered and embossed.

Extending his RB M series of prints, Bouroullec has produced three different images which are entirely distinct but united by their abstract suggestion of organic form and expressive line work. This new edition departs from the monochromatic, combining a series of different colours.

Mateo Kries, Director of the Vitra Design Museum, describes the drawings of the Bouroullec brothers as "tender, often cross-hatched and at times almost naive-seeming pictorial motifs that create their own unique world of forms."

Due to the vibrant colouration of RB M20, a specialist printer in France has been used with a specific printing system and paper to achieve the colour depth. Each print is presented in a bespoke frame made of white painted oak.

Limited edition of 50.
