

# GE 240 Easy chair

Hans Wegner, 1955

## Description

**GE 240 Easy chair** by [Hans Wegner](#) for [Getama](#).

Hans Wegner began working with Getama over 60 years ago, and their collaboration produced many classic designs that continue to be manufactured to this day.

Wegner designed the GE 240 Easy chair, also known as the 'Cigar chair' in 1955. The name derives from the unique shape of the armrests which have a likeness to the form of a cigar. Due to its continued popularity, Getama have put this model back into production.

The GE 240 is a classic minimalist Danish design featuring a tapered solid oak frame. Its tilted back and wide armrest make for a practical and comfortable seat.

Available in untreated oak, lacquered oak, oiled oak, soaped oak, stained oak and oiled walnut.

The cushions are available plain or with contrasting leather piping and buttons. Please follow the links to see the fabric options:
