

# The Truthbrush

## Description

**Truthbrush toothbrush** by [Truthbrush](#).

Truthbrush creates appealing bamboo toothbrushes, featuring an ergonomically rounded handle with plant-based bristles. Made of organic bamboo, the toothbrush's naturally anti-bacterial properties work in tandem with the castor oil-based bristles to hygienically care for your teeth and gums.

The toothbrush is made of fully biodegradable Moso bamboo, organically farmed in a sustainable FSC-managed forest in China. Truthbrush carbon offset the shipping to limit the environmental impact.

Available with soft or medium bristles made of 62% castor oil and 38% nylon, the brush features a white dipped base.

Each Truthbrush is hand-wrapped in tissue and comes in a recyclable cardboard case.

Truthbrush has recently won the Veggie Award in the Health & Wellbeing category for 2019.
