

Lo Studio Scented Candle

Lo Studio,

Description

Scented candle by [Lo Studio](#)

The Lo Studio candle range is created to evoke a sense of nostalgia and memory through scent. We develop our sense of smell from a young age, associating scents with experiences and recollections, Lo Studio aims to capture these scrapbooks of memory and emotion within their candles.

Each scent has a unique story which accompanies the candle and is then brought to life when the candle is lit.

Made from 100% natural non-GM vegetable wax which is fully sustainable, fully traceable and fully replenishable.

The oils used in these candles are distilled to a higher concentration than standard candles to form a liquid resin. This resin is then mixed with the candle wax to produce a highly fragrant candle. Made from organic essential oils, absolutes, resinoids and balsams.

Available in the following scents:

To the Sea - Rock Salt, Bergamot, Musk Mallow and Samphir

Palais - Rose, Agarwood, Santal, Praline and Oud

Pathless Wood - Cedarwood, Oak Moss, Amber and Bergamot

Bergamot Clouds - Bergamot, Sandalwood, Violet, Patchouli and Incense

Burn time is approx. 60 hours, do not burn for more than 4 hours at a time.

The candles are Vegan (no animal fats or beeswax used) and not tested on animals. No herbicides, pesticides, parabens, bleaches, dyes, palm oil, fragrance enhancing chemicals, glues, binders, lead, tin or single-use plastic are used in any of the candles.

Produced in the UK in small batches to retain freshness.

The Lo Studio boxes use 80% recycled paper, the candle lids are 80% recycled steel and the glass case includes 20% recycled glass.
