

Ronan Bouroullec poster

Ronan Bouroullec, 2019

Description

Ronan Bouroullec poster by [Ronan Bouroullec](#).

In this vibrant new series of posters, Ronan Bouroullec further explores his signature interest in vibrant colour and organic forms.

Measuring 70cm by 70cm and printed on high gsm paper, each unframed poster presents a different yet complementary form, to be hung together as a set or singly to bring colour to any space.

Mateo Kries, Director of the Vitra Design Museum, describes the drawings of the Bouroullec brothers as "tender, often cross-hatched and at times almost naive-seeming pictorial motifs that create their own unique world of forms."
