

Lawn blanket

Eleanor Pritchard, 2019

Description

Lawn blanket by [Eleanor Pritchard](#).

Hand-woven on traditional 'dobcross' shuttle looms at a small mill in West Wales, Eleanor Pritchard's textiles combine traditional craftsmanship, heritage and a strong sense of place with a distinctly contemporary use of colour and pattern. Pritchard's personal interest in mid-century textile design is a strong factor in designs which nevertheless remain resolutely of the moment.

The Lawn blanket features a graphic pattern in Art Deco inspired colours. Black squares together with light, fine lines on a green background, with a reverse side in a oatmeal check pattern with green, white and black fleck. Woven in a mix of standard weight and lighter weight wool. Edge stitching in green.

Handwoven in 100% wool in the British Isles.
