

# Alface almond oil soap

Claus Porto,

## Description

**Alface almond oil soap** by [Claus Porto](#).

Originally founded in 1887, Claus Porto has since been a purveyor of some of the worlds most respected soaps. Each bar is handmade and milled seven times to ensure that the soap won't crack or lose its fragrance until the very end.

The Alface soap combines comforting sweet almond oil and honey blended with refreshing orange blossom and vetiver, to create a calming scent with citrus notes.

The soaps are of the highest quality and are enriched with natural shea butter to moisturize even the driest of skin.

Hand-packaged in art deco inspired graphics from the Claus Porto archives.
