When travelling cities such as Paris, Barcelona and New York, Norm. Architects Kasper Rønn and Jonas Bjerre-Poulsen were fascinated by the street lamps; the characteristic cast iron top - looking a bit like a hat - with a semi-transparent glass sphere at the base.

Back in the studio Kasper and Jonas detached the street lamp from its original use and transferred the shape and combination of materials in order to design an outstanding, indoor pendant - the MASS LIGHT.

The pendant is made of brass and glass.
