w102 table lamp by [David Chipperfield](#) for [Wastberg](#).

**Ex-display item reduced by 20%**  
**£696 -20% now £556**

*This item is a one-off clearance item to be sold on a first order, first served basis.*

The Chipperfield w102 is a dimmable table lamp, using warm white LEDs with optical lenses and glare protecting diffuser.

A ball bearing construction enables very smooth rotation between upper and lower base parts. Adjustable shade.

"The product references an archetypal personal desk lamp for home or office use, and seeks to offer a fresh interpretation of the familiar on a domestic scale. The lamp is predominantly made from brass - a material commonly associated with lights, though not so widely used today. The intention was to create a simple form with a clear distinction between a base, a single arm and a lamp head. The lamp has no visible joints and minimal directional movement, without compromising its function."

David Chipperfield

Bulb  
1-4W LED (included)

Dimensions  
11w x 33.7d x 42.3cmh
