

Solid coffee table

Lars Fjetland, 2013

Description

Solid table by [Lars Beller Fjetland](#) for [Normann Copenhagen](#).

The minimalist Solid coffee table unites Japanese architectural influences with Scandinavian craftsmanship to create a timeless, pared-back design in natural materials.

The Nordic ash base supports an elegant marble tabletop, the pieces locking together under the weight of the marble, enabling the table to be assembled without the use of screws or fixings.
