

Ronan Bouroullec poster

Ronan Bouroullec, 2020

Description

Ronan Bouroullec Poster by [Ronan Bouroullec](#) for [Wrongshop](#).

Ronan Bouroullec's new poster series continues to examine organic forms and vibrant colours. Each poster presents a unique yet complementary arrangement, to be hung singularly or in series. They are digitally printed onto 180gsm Chromolux coated white paper. This technique allows the coloured ink to appear matt on the lustrous white surface of the paper, closely resembling Ronan Bouroullec's drawing technique using felt tip pens on glossy white card.

Mateo Kries, Director of the Vitra Design Museum, describes the drawings of the Bouroullec brothers as "tender, often cross-hatched and at times almost naive-seeming pictorial motifs that create their own unique world of forms."

Available with or without a frame.
