

Glass storage Jar

Nanna Ditzel,

Description

Glass storage jar by [Nanna Ditzel](#) for [Rosendahl](#).

Organise your store cupboards with the storage jar, perfect for holding pasta, flour, oats or dried fruit. It is made from toughened glass with a flexible rubber lid, to keep your produce fresh. Although the generous glass' form is versatile, use as a vase or even a utensils pot.

The jar's minimal form is defined by a graphic mid-century pattern imprinted into the glass, this simple touch adding interest and texture to the kitchen accessory.

Glass jar with a silicone lid.

Available in small grey and large red.
