Shane Schneck, 2015

Carbon grey

Description

Bollard light- Carbon grey by [Shane Schneck](#) for [Menu](#).

Ex-display item reduced by 30%

£90 -30% now £63

This item is a one-off clearance item to be sold on a first order, first served basis.

Shane Schneck's ingenious Bollard light is a multipurpose lamp that can be hung as a pendant, angled like a spotlight or used as a floor or table light.

The simple conical silicone body has been cleverly designed so that it can be used in any one of four different positions. Hang downwards as a straightforward pendant light or use the clip at the side of the shade to angle the light as it hangs.

Alternatively, a specially-designed foot allows the shade to stand upright as a table lamp or floor uplighter, or to rest on its side for directional illumination.

The light is wrapped in a silicone skin which is moulded in a single piece. Available in carbon grey.

Light source: LED GU 10 max 5W (not included)

Dimensions
11dia x 13cmh
