

Tom & Jerry stool

Konstantin Grcic, 2011

Description

Tom and Jerry stool by [Konstantin Grcic](#) for [Magis](#).

A playful duo of adjustable height swivel bar stools named after the famous cat and mouse characters. The smaller of the two - Jerry - works well at a kitchen table or desk. Tom, the larger model, includes a footrest and is suitable for use at a workbench or kitchen bar.

Seat and frame in natural solid beech, joint and screw in choice of orange, light blue, white or black injection moulded polypropylene plastic. Tom and Jerry is also available with a painted black solid beech seat and black polypropylene joint and screw.

Dimensions:

Jerry - Small 42w x 48d x 50/66cmh

Tom - Large 45w x 51d x 70/86cmh
