Another Country,

## Description

**Stool One** by [Another Country](#).

Stool One is a classically versatile object; it can be employed as primary or secondary seating, as an occasional, bedside or sofa table - it's always useful to have one around.

Made from solid European oak or black lacquered ash. On the oak version, the three turned legs are attached to the seat using a peg system, which is visible on the seat and provides the stool with a craft-inspired detail. The lacquered ash version has a peg-less, screw leg system.

Available in natural oak or lacquered ash in black and red.

Made in Portugal.
