

Tag wide stool

Ichiro Iwasaki,

Description

Minimum order of 4 stools.

The rigorous lines of the Tag stools are softened by the profiles, by the roundness of the depths and the liveliness of the seats. The big leather buttonholes make them even more practical and functional and represent an unusual decorative detail. The structure is in ash wood and the seat covered with a strong, natural woollen fabric. The stool is available in 9 colours, and is also available as a small stool.
