

217 wall light

Bernard Albin Gras, 1921

Description

217 wall light by [Bernard-Albin Gras](#) for [DCW éditions](#).

In 1921 Bernard-Albin Gras designed a series of lamps for use in offices and industrial environments. The Gras lamp was astounding in its simple, robust and yet very ergonomic design. The functional aesthetics of the Gras lamp, and the design of arms, stems, brackets and bases, were truly original and far ahead of time.

The 217 wall light is a versatile and flexible light, with multiple moving joints which allow myriad different variations of form. Suitable for providing directional light to dining rooms, living rooms, or offices.

Structure in black satin steel, adjustable in height. Shade either round or conical shape in a variety of colours.
