

# HAL Wood chair

Jasper Morrison, 2010

## Description

**HAL Wood dining chair** by [Jasper Morrison](#) for [Vitra](#).

With the HAL Wood dining chair Jasper Morrison reinterpreted the multifunctional polypropylene shell chair giving it a distinctly contemporary appearance. The HAL chair is produced by Vitra in a wide range of colours. The ergonomic shape and slightly flexible plastic shell make it a comfortable dining and side chair.

HAL can be used in all kinds of environments - in the office, as well as in public spaces and in the home.

Polypropylene shell in a range of colours. Legs in dark or light solid oak or black-pigmented walnut. Non-stacking chair. For full product specification see PDF in the product downloads.
