

Metal side table

Ronan & Erwan Bouroullec, 2004

Description

Metal side table by [Ronan & Erwan Bouroullec](#) for [Vitra](#).

Metal side tables constructed from bent and welded sheet steel, powder coated with a highly polished finish in a range of colours. Light enough to be easily moved around the home and serving a wide variety of purposes, these side tables work equally well as singular pieces or as a trio, and are an attractive addition wherever they stand.

Available in white or chocolate finish. Felt glides make them suitable for hard or soft flooring.

An [outdoor](#) version is also available.
