

Nerd bar stool

David Geckeler ,

Description

Nerd bar stool by [David Geckeler](#) for [Muuto](#).

'The Danish simplicity and the iconic expression is combined with a classic perception of a solid barstool. The shape of Nerd barstool invites the user to sit on the stool from several angles, helped by the soft, curvy plywood shell. The low backrest of the barstool gives a pleasant support and comfort'. David Geckeler

Available in natural oak, or lacquered ash in the colours black, grey, green, sand yellow, tan rose, midnight blue or white.
