

# Raimond Dome

Raimond Puts & OX-ID, 2013

## Description

**Raimond dome pendant light** by [Raimond Puts & OX-ID](#) for [Moooi](#).

Raimond Dome brings the poetry of a starry night to our homes, having a powerful lamp right at the centre of its dome-shaped network of twinkling LED lights. This makes it the perfect reading or dining lamp.

The intricate spheres of Raimond transport the electrical current. The LED terminals then join these paths to create an atmospheric ambiance. The transparent lenses are specially detailed to spread warm white light in every direction. Made from stainless steel and PMMA.
