Description

PP 225 Flag Halyard lounge chair by [Hans Wegner](#) for [PP Mobler](#).

The Flag Halyard Chair by Hans Wegner is truly one of a kind. Made of solid stainless steel, specially developed flag line and a long-haired sheep skin, it is the ultimate relaxing luxury.

The basic idea and shape of the chair was conceived on a hot summer afternoon - while the kids were playing in the shallow water on the beach, Wegner was digging himself into the sand building a comfortable chair to enjoy the holidays.

Stainless steel frame, available in the following combinations: polished upper frame with black or white lacquered base, all polished frame or polished upper frame with green lacquered base. Flag Halyard available in natural or black. Neck cushion upholstered in fabrics of the collection or standard leather.

Long haired sheepskin included in assorted colours or white, or selected at additional cost through PP Mobler. To view the available sheepskin collection, please visit the PP Mobler website by clicking [here](#). Please note that sheepskin is a natural product and so colours can vary to images shown. Please have in mind that the unlikely event of two customers reserving the same sheepskin simultaneous might happen.
