

Spiral SP01 pendant light

Verner Panton, 1969

Description

Spiral SP01 pendant light by [Verner Panton](#) for [Verpan](#).

The Spiral SP01 pendant exemplifies Verner Panton's playful design sensibility.

The shade features silver or gold cellidor spirals which are suspended from a four ring metal frame, with each spiral connected by small rings. When stirred by a breeze the spirals offer a continually shifting play of light and reflection.
