

System 123 tilting mirror

Verner Panton, 1973

Description

System 123 double sided tilting mirror by Verner Panton.

An oval shaped mirror fitted in a piped frame with butterfly base. The System 123 mirror tilts and turns a full 360 degrees.

The frame and base are made of polished chrome plated steel and fitted with a 4mm double sided mirror.

Please see below the System 123 clothes rack in the same family.

Dimensions:
46dia x 59w x 169cmh

Please note: due to the great fragility of this design we are only able to ship it within the UK.
