

# Platner Coffee Table

Warren Platner, 1962

## Description

**Platner coffee table** by [Warren Platner](#) for [Knoll](#).

In the 1960s, Warren Platner transformed steel wire into a sculptural furniture collection, creating what is now considered a design icon of the modern era. Vertical steel wire rods welded to circular horizontal and edge-framing rods. Nickel finish with clear lacquer protection, or metallic bronze against an upcharge. Table top in bevel edged plate glass, bronze glass or marble (marble overview available to view in Product downloads).

The collection also includes a dining table, side table, chairs and stool, please view 'More items in the range' below, or enquire for details.

Quickship: 3 week delivery, small table with clear glass top and polished nickel frame.
