

Bertoia outdoor bench

Harry Bertoia,

Description

Bertoia outdoor bench by [Harry Bertoia](#) for [Knoll](#).

The Bertoia collection includes a side chair, bar stool, counter height stool, bench, lounge chair, armchair, high back armchair and asymmetric armchair and has been in continuous production around the world since its introduction.

Knoll historian Brian Lutz once said "Bertoia's paintings were better than his sculptures. And his sculptures were better than his furniture. And his furniture was absolutely brilliant."

Slatted bench available with a choice of black rilsan, white rilsan or stainless steel structure.

Slats in teak or white acrylic stone.

Rilsan is a very durable and adhesive fused nylon-dipped finish that is scratch, chip and chemical resistant, suitable for outdoor use.

Acrylic stone is a solid surface material made from aluminium hydroxide, acrylic and natural pigments.

The aluminium hydroxide gives the product a particular strength, the quality of the acrylic resin ensures water resistance and colour stability over time.
