

# Miller wall light

Niclas Hoflin,

black shade brass base

## Description

**Miller wall light** by [Niclas Hoflin](#) for [Rubn](#).

The Miller wall light is manufactured by hand in Sweden with great attention to detail, functionality and aesthetics. The designs adapt to today's technology, style and needs, but are solidly rooted in the delights of the past.

Made from steel and brass, this is a functional wall light inspired by industrial design.

The shade is made from spun steel, brass parts are solid and brushed. All metal parts are lacquered. Available in a range of finishes - with steel stem, brass stem, and shade in the colours black, silk grey, slate grey, umbra grey, and light sand.

**Available with either 3m black textile cord flex with switch on base, or hardwired with switch on underside of shade. See downloadable technical sheets for further information.**

Dimensions:

Shade 14dia, Base 9dia, 20.5d x 21cmh

Bulb: (included)

1x GU10 4.5W LED

For detailed product specifications see Product downloads.
