

Porcelain soap shelf

Eve Van Dyck,

Description

Porcelain wall mounted soap shelf by [Eve Van Dyck](#) for [Zangra](#).

Eve van Dyck is a Belgian architect. She started Zangra when she had difficulty sourcing historically inspired, reasonably priced fixtures for a project; she contacted a maker of porcelain lighting sockets, ordered a hundred to sell online, and her business was born.

The porcelain range has since extended to include functional requirements for the bathroom and home.

Dimensions:
25cmw
