

# Ghost ornament

Studio Arhoj,

## Description

**Ghost decorative object** by [Studio Arhoj](#).

Inspired by the Japanese Shinto belief that everything in nature has a soul - from a plant to a pebble on the beach - Louise Gaarmann & Anders Arhoj have designed these ceramic figures to animate your home.

Small yet possessing a definitive presence, Ghosts can be used as paperweights, door stops, toys, ring holders or simply as decorative objects.

Each Ghost is unique, hand thrown in earthenware, hand glazed, hand decorated and low-fired in the kiln three times.

Please note that the design and manufacturing process means that each Ghost has its own unique colour and pattern, supplied at random; enjoy surprising or being surprised.
