

VIP wall light

Jørgen Gammelgaard,

Description

VIP wall light by [Jørgen Gammelgaard](#) for [Pandul](#).

'Vip' is the Danish word for twist or tilt, and this lamp certainly lives up to its name. The unique multi-adjustable shade of the VIP series allows the VIP wall light to be positioned in two different ways: either as an ordinary wall-mounted reading lamp or as a decorative fixture giving a corona of indirect light on the wall.

Arm and wall mount are made of brushed stainless steel. Shade is hand-spun aluminium.

Available in black or white.

Light source:

Max. 100W Regular incandescent light bulb recommended - or similar size fluorescent light bulb.

Black or white cord depending on the colour of the lamp: Length: 300 cm.

Dimensions:

35dia x 42cmd
