

Bass extending table

Borja Garcia,

Description

Bass extending table by [Borja Garcia](#) Studio for [Punt](#).

Bass is a timeless extendable table, which owes its clean and minimal appearance to its hidden leaf and mechanism.

Closed or opened, the legs are always at the ends. The extension leaf is kept inside the structure. The extension device in aluminium is left exposed only when the table is opened.

Table frame in solid oak or walnut in a range of finishes.

Table top in MDF with a natural oak or walnut wood veneer in matching finish.
