

William modular sofa

Damian Williamson, 2010

Description

William Modular Sofa by [Damian Williamson](#) for [Zanotta](#).

The William modular sofa features aluminum alloy feet, a steel frame, elastic straps for suspension, and upholstery in polyurethane / heat-bound polyester fiber, with goose down. The William also features removable fabric or leather cover.

Available in a range of fabrics and leathers. Please see downloadable fabrics and leathers pdf in 'Product downloads' for more information.

As a part of the William range, the prices shown here are for the **large left two-seat and small right three-seat option**. Additional pieces can also be bought as separate units, or to add to an existing sofa. For all available compositions as well as other products in the William range, please see 'product downloads'.
