

Metal outdoor side table

Ronan & Erwan Bouroullec, 2004

Description

Metal outdoor side table by [Ronan & Erwan Bouroullec](#) for [Vitra](#).

The Metal side table belongs to a category of furniture that does not stand at the centre of attention, yet is indispensable for the completion of an interior. As small and rather inconspicuous side tables, they serve a variety of valuable purposes. The thin table tops and the voluminous forms of the plinth-like bases create an appealing contrast. Suitable for outdoor use.

Table top and base are powder coated and available in four colours: soft light, ice grey, dimgrey, deep black.
