

# Plate table

Jasper Morrison, 2004

## Description

**Plate table** by [Jasper Morrison](#) for [Vitra](#).

Quite in keeping with Jasper Morrison's philosophy of 'super normal' design, the Plate tables feature a classic shape and finely balanced proportions. Available in four sizes, the tables derive their charm from the successful interplay of subtle curves and precisely defined edges. The refined base and the thin table top in Carrara marble or powder-coated MDF form a harmonious whole, yet are clearly distinct from each other.

Table top available in powder-coated MDF in the colours white or chocolate, Carrara marble (brushed and waxed), oiled solid oak in a natural or smoked finish, and oiled solid walnut. Base in die-cast aluminium and powder-coated tubular steel.

Use the [Vitra configurator](#) for this design to explore the available finishes.
