

Babar free standing stool

Simon Pengelly, 2008

Description

Babar free standing stool by [Simon Pengelly](#) for [Arper](#).

A simple, almost intuitive, form. Babar exudes a playful, sophisticated air that belies its technical complexity and functional breadth.

Specializing in furniture and product design, Pengelly Design was founded in London by Simon Pengelly in 1993. His studio demonstrates a pragmatic approach and an affinity for design solutions that consider function, appropriate material and production processes. Their products are distinctive in their fusion of lightness, understated elegance and timeless appeal with modular rigor.

The free standing stool is available in chrome or brushed stainless steel, with a polyurethane or upholstered seat in various colour ways. **Please note** - pricing example is for a **stool without a small backrest**, please enquire for version with a small backrest.

For upholstery options please see downloadable pdf. Upholstery price grades can be found on the left-hand margin of each page.

Please see other products in this range for the fixed base option.

For upholstery options please enquire.
