

Solid Cylinder marble pendant

Terence Woodgate,

Description

Solid Cylinder marble pendant light by Terence Woodgate.

A pure cylindrical form, crafted from solid marble. The rounded inner edge at the shade base is a design signature of the Solid collection.

As marble is a natural material the hue and veining will vary from piece to piece, making each shade body unique.

Solid is designed with effective thermal cooling for LED performance and longevity. A unique support design enables the fitting to be adjusted so that it hangs completely vertical and true. The light provides a direct even beam with low glare.

Available in white Carrara marble or black Nero Marquina marble.

Supplied with 2m matt finish cable and semi-matt powder coated conical steel ceiling fixing in matching colour (black RAL 9005) (white RAL 9003) as standard. Alternative available upon request. All fixings are hidden.

Bulb:
6.2W MEGAMAN® Reflector Lamp (500 lumen, Warm colour, 2800 Kelvin).
Fitting takes GU10 LED lamp, 8W maximum.

Dimensions:
8.8dia x 13cmh
1.1kg
