

Fiber chair tube

Iskos-Berlin,

Description

Fiber chair tube by [Iskos-Berlin](#) for [Muuto](#).

With a clear sculptural language, the Fiber chair refuses to compromise on comfort. Stripped of all unnecessary layers, the chair is left with a seat, back and armrests all integrated to form one harmonious shell.

The form marries soft curves with an environmentally friendly wood fiber composite which gives a distinctive tactile texture while also keeping it 100% recyclable.

Wood and plastic composite shell with powder coated steel sled base. Available in the following combinations: black shell/black base, grey shell/grey base, dusty green shell/dusty green base, ochre shell/black base and natural white shell/white base. Also available with an upholstered seat, please enquire for details.
